

The Cal/OSHA SOURCE

Robert D. Peterson & Joel M. Cohen

The Cal/OSHA Source
Co-authored by Robert D. Peterson and Joel M. Cohen. *The Cal/OSHA Source* is the most comprehensive publication regarding compliance with Cal/OSHA rules and regulations. *The Source* was completely updated in 2008 and has expanded description of written program compliance, multi-employer and dual employer policies, current forms, valuable advice, and one of the most complete indexes for a book of this type.

Cal/OSHA District and/or Regional Managers will make presentations and answer questions at every seminar site.

Barbara Miller, Esq.
Barbara Miller, presiding Administrative Law Judge with the Cal/OSH Appeals Board before retiring in July 2007, has spent 25 years judging labor and OSHA disputes and has more than 35 years of legal experience. She currently has an arbitration and mediation practice based in Southern California.

Joel Cohen, MPH, CIH
Joel Cohen is founder and president of The Cohen Group, a company that has provided a complete range of occupational health and safety consulting services to business and government since 1980. Mr. Cohen has more than 30 years of experience assisting employers.

Robert Peterson, Esq.
Robert D. Peterson Law Corporation, founded in 1978, represents more employers in proceedings before the Cal/OSHA Appeals Board than any other law firm in the state of California. The representation extends throughout the state and includes employers in every type of business.

This full-day seminar, **offered only once a year**, provides guidance and insight regarding significant Cal/OSHA regulations and policy changes which occurred in 2008. Presentations are by speakers who are experienced in occupational safety and health matters and who work in California with California employers and with Cal/OSHA.

- Abatement Requirements & Existence of Violations

For Contractors only 6:30 to 8:30 a.m.

This **Two-Hour "Nuts and Bolts" Discussion** is intended to provide basic information to the construction industry regarding the role of Cal/OSHA and includes a discussion of certain rules and regulations which affect every construction jobsite. It is designed for those individuals with **construction** jobsite management responsibilities.

Who Should Attend?

Leadpersons, forepersons, superintendents, safety personnel

Why Should They Attend?

To learn:

- What will occur during a Cal/OSHA inspection and the consequences of their own actions when dealing with an inspection.
- What actions to take upon discovery of an unsafe condition.
- What to do when the unsafe condition was created by another employer or was the responsibility of another employer.
- What actions to take in the event of a jobsite accident.
